

Three weeks to get your Spanish ready!

You will attend a Spanish for Foreign speakers' school located in the heart of Madrid, at the glamorous district of Barrio Salamanca, close to Plaza de Colón and Retiro Park, where you will be able to go to enjoy your lunch during the school break. School material is included in the price, and the lessons will take you one step closer to achieving your goals: to feel more confident and to communicate more and better in Spanish. During the length of the Prep Course, you will live with a host family in Madrid, probably with another exchange student from a different country, who will also be a full academic year or semester participant

You will have 3.5 hours of lessons in the mornings from Monday to Friday, and you'll go through the grammar and vocabulary basics, you'll learn useful expressions and will participate in quizzes and games with your classmates. Then you'll eat a packaged lunch prepared by your host family at the school or in some parks nearby, and then you'll join your group and teachers again to participate in cultural visits and workshops in the afternoons, until 4pm.

This activities include:

- Walking tours in Madrid.
- Visits to the main museums of the city (El Prado & Reina Sofía). Also, visit to the Royal Palace.
- Visit to Alcalá de Henares, a beautiful and historical town nearby.
- Visit to the Real Madrid Football Stadium, Santiago Bernabéu.
- Gymkanas and workshops about Spanish traditions, geography, food, fashion, music, slang, current affairs...
- At least, one afternoon at the swimming pool.

You'll also enjoy free time with your host family, Get Ready staff or other Prep Course Students in the afternoons, and you'll be offered one or two full-day excursions during the weekends to the neighboring cities of Segovia and/or Toledo. The Prep Course is intended to students having studied Spanish for two years or less, and it will be the perfect start to your high school year in Spain!
